

SageOne

Payroll

Sage One Payroll is an online payroll service for start-up and small business owners that's simple to use, even with no previous payroll experience.

With Sage One Payroll you can get your payroll set up in no time, processing pay runs and printing payslips with ease. Simply sign up for a 30 day free trial at www.sageone.ie and follow a few short steps. There's no software to download or install and paying a low monthly direct debit means there are no upfront costs and no contract.

We know small business owners are busy people, so we have kept Sage One very simple by cutting out the jargon and showing only what's important so that you can get on with doing what you do best, running your business.
